**WARNING:** This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for horses and is not intended for other species.

**CAUTION:** Follow label directions. Feeding this feed containing added selenium at levels higher than recommended is not permitted.

#### FEEDING DIRECTIONS:

Feed Cool Command Pro-Pel Pellet to horses according to the chart below, along with good quality hay/pasture (1.0 – 2.0 lbs/100 lbs of body weight), free choice mineral and fresh, clean water.

Activity Level	Amount to Feed/Per Day (1000 lb Horse)
Maintenance	5.0 – 7.5 lbs
Performance Light	6.0 – 8.0 lbs
Performance Moderate	7.0 – 9.0 lbs
Performance Heavy	8.0 – 10.0 lbs

\*Please note: These amounts are suggestions and may be adjusted according to forage quality, body condition and environment.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.
